My Name Is Mangatayaru Zee Telugu Serial

Mangatayaru, which means "Mangataya" or "Mangata" meaning "touch me" is a multi-starrer. This show is all about how some people do good at earning but good deeds do not translate into popularity or respect. The serial follows the story of Gangotri. This serial portrays the story of a guy living in a small town, whose name is Puvvula

Ponnamma (Puvi) and whose mother's name is Mangataya. He is a foolproof simpleton, a natural born looser with several weird habits such as: He likes to walk with a kakak, a fish in his waistband; he makes his own drink from random substances; he gets extremely excited about every small event and often becomes over-excited; he plays with girls and has a really good smile; he almost always tries to do the right thing (for the wrong reasons), and he is always really nice to everybody. Mangataya is the first daughter of a very wealthy family in a small town. She is very beautiful, talented and a very good girl. She lives with her parents, her only sister and her three uncles (who are closely related) in their palace. Her beloved father, a doctor is a bigoted, idiotic and helpless old man. As per their wish, she married a very rich man called Pulama Rajan, a man who collects taxes and beats

up thieves; he is a bigoted man who loves to boast, have fun, joke around and mock everybody. He has one extremely handsome and intelligent son named Mani. Mani happens to be the best student of a multi-starrer school. One of the three uncles is always very insecure and always worried about the well-being of Mangataya, especially after his son's marriage.

Mangataya's sister is named आर्ति (Aarti) and is a messiah of the family. She always has a bad temper and never says nice things. Aarti is a very good girl, pretty and smart. She has a crush on Mani and often tries to make him chase her. Mangataya is a very angry girl and one of the reasons behind this anger is that her father behaves as if they are eternally enemies; he doesn't like her and sometimes even treats her badly. Her mother leaves
