A: The line x = [] is defining a new list. To create a list with three elements, use x = [1, 2, 3] or x = [1, 2, 3] A: The error message is giving you a clear indication, and it is the first line of code that does it. Don't create a list with the [] syntax. It is defining a new list rather than combining the contents of the list. If you want a copy of the existing list, use the
